Dated:- 04.10.2017

Dear Parents,

Subject:- Safety and security of students.

Consistant with CBSE circulars followed by DAV CMC's circular No.3394 dt. 23.9.17, we share with the parents some issues regarding the safety/security of children and expect co-operation of parents and other stakeholders in this regard.

1. We have already installed CCTV cameras for the proper surveillance in the school campus.
2. We expect from the parents to ensure that vans, Matadors, Auto rickshaws etc. they arrange privately for the transportation of their children is safe antecedents of driver and conductor are checked and police verification be done well in time. Parents should keep an eye that no unknown person travels in the transport/ private transport.
3. It is to inform you that the school gates will be opened only half an hour before the start of school. Therefore do not send your children before time for security reasons.
4. All visitors have to make an entry in the visitors register with immediate effect.
5. In case parents send some one to pick the child during working hours, a proper Authority letter signed by the parents along with latest mobile number should be sent for verification.
6. Parents are requested not to enter class rooms and wait for their child to come out near the pick up point.
7. Few parents are following the practice of sending Tiffin/Lunch Box during the school hours. Such parents are requested to discontinue this practice for the safety of children.

We are sure to get your full co- operation for the safety and security of our children.

Sincerely yours,
